Dear Child Care Provider,

This letter is in regards to the 09/26/13 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

237A.3A(3d): Location is a single-family residence that is owned, rented, or leased by the person/program who is registered. May be an apartment, condo, townhouse, or other individual unit within a multiple unit residential dwelling. May NOT be a commercial or industrial building that is primarily used for purposes other than a residence.

On 09/26/13 a compliance spot check was completed at 5422 420<sup>th</sup> St Paullina, Iowa. You stated that on 09/27/13 you were moving to 514 E Greene St Paullina, Iowa.

☐ 110.5(1)e All accessible electrical outlets are safely capped.

☐ 110.5(1)n Each smoke detector is tested monthly, and a record is kept for inspection purposes.

☐ 110.5(1)t Within 12 months of registration or renewal of registration, private sewer or wastewater has been tested for efficient functioning and improper leakage.

You did not have a statement regarding your private sewer being tested for efficient functioning and improper leakage.

☐ 110.5(2) A provider file is maintained and contains:

☐ 110.5(2)a A physician's signed statement of health and immunization status on the provider and all members of the household who may be present when children are in the home. Statements must be obtained at the time of initial registration and updated every two years.

☐ 110.5(2)c An individual file is maintained for each staff assistant and contains:

There is a Karissa Langland listed as an active assistant on your registration. You said that Emily Heeren is your assistant. Emily is not currently listed as an assistant on your registration. Emily cannot be used as an assistant until she has been added on your registration. If Karissa is no longer an assistant you need to email me at [kheneke@dhs.state.ia.us](mailto:kheneke@dhs.state.ia.us) requesting that Karissa's name be removed from your registration. If you are continuing to use Karissa as an assistant you need to have the following.

The following is what is needed in each staff assistants file.

☐ 110.5(2)c A completed DHS Criminal History Record Check, form B, 595-1396

☐ 110.5(2)c A completed Request for Child Abuse Information, form 470-0643

☐ 110.5(2)c A physician's signed statement of health and immunization status at the time of employment and at least every two years thereafter.

☐ 110.5(2)c Certification of two hours of approved training relating to identification and reporting of child abuse within 6 months of employment and repeated every 5 years.

☐ 110.5(8) Children's Files

☐ 110.5(8) An individual file is maintained for each child and updated annually or when there are changes. Each file contains:

☐ 110.5(8)g A signed and dated immunization certificate provided by the state department of public health.

☐ 110.5(8)i Written permission from the parent(s) for their child to attend activities away from the child development home. It must include times of arrival and departure, destination, and person(s) responsible for the child.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.**

Based on the items out of compliance listed above, a recheck or follow up visit to your home is not necessary. However, it is essential you provide documentation to the Department that certifies you have corrected each of the identified regulatory violations and are now in complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed.
